

VERVANGINGSMARKT
ONDERDELEN VOOR KEUKEN EN SANITAIR

Pakketinhoud

The diagram illustrates the components included in the package. It features a long horizontal line representing the shaver body, with a red '1' indicating the main body. Below it is a separate component, likely the shaver head, with a red '2' indicating it. To the right, a red '3' points to a small rectangular component, possibly a power adapter or a travel kit component. Further right, a red '4' points to a small rectangular component, possibly a power adapter or a travel kit component. A red '5' points to a small rectangular component, possibly a power adapter or a travel kit component. The diagram also shows a small rectangular component, possibly a power adapter or a travel kit component, and a small rectangular component, possibly a power adapter or a travel kit component.
